

“Although the income which Mr [REDACTED] declared is just net 8000 monthly, his **credit has been evaluated** far more than average of Berlin professionals. Mr [REDACTED] is the owner of [REDACTED] devices, which according to the **Berlin VCs’ Report has an investment valuation of 100 million** dollars. He is also part of Berlin Films Stub, where hosted global Celebrities. For instance, there are **plenty of selfies with casting crew of Game of Thrones**. Therefore, it can be assumed that his residing in this town, increase **the chance of private funding** of the renewable projects for the block.”
